

7th International Fermi Symposium

Thursday, 19 October 2017

Dark Matter - GaPa/2-1 - Konzertsaal (16:30 - 18:00)

-Conveners: Alessandro Cuoco

time	[id] title	presenter
16:30	[191] Indirect Axion and Axionlike Particle Searches at Gamma-Ray Energies	MEYER, Manuel
17:00	[144] Dark matter theory: implications and future prospects for Fermi	SCOTT, Pat
17:30	[92] Probing the nature of dark matter with gamma rays: what we learned from the LAT and prospects for the CTA	ZAHARIJAS, Gabrijela
17:45	[138] Limits on Dark Matter annihilation signal from dwarf galaxies with prior-free astrophysical factors	CHIAPPO, Andrea
