

7th International Fermi Symposium

Thursday, October 19, 2017

Dark Matter - GaPa/2-1 - Konzertsaal (4:30 PM - 6:00 PM)

-Conveners: Alessandro Cuoco

time	[id] title	presenter
4:30 PM	[191] Indirect Axion and Axionlike Particle Searches at Gamma-Ray Energies	MEYER, Manuel
5:00 PM	[144] Dark matter theory: implications and future prospects for Fermi	SCOTT, Pat
5:30 PM	[92] Probing the nature of dark matter with gamma rays: what we learned from the LAT and prospects for the CTA	ZAHARIJAS, Gabrijela
5:45 PM	[138] Limits on Dark Matter annihilation signal from dwarf galaxies with prior-free astrophysical factors	CHIAPPO, Andrea
